Dr. A. R. Menon.—Every institution has room for expansion. This institution being in such a central place that it is a most suitable site, provided there is accommodation.

Mr. President.—I can assure the Hon'ble Member and this House that Government will give plenty of opportunities for expression of public opinion in case they propose to shift the hospital.

Mr. E. Ikkanda Warriar.—How long has this question been before the Government? Should not this question be settled soon as the amount has been ear-marked?

Mr. President.—So long as it has not been settled against the wishes of the Hon'ble Member, it does not matter whether it is settled or not.

Mr. P. Kumaran Ezhuthassan.—Will it not lead to undue delay in the matter of necessary improvements to the hospital?

Mr. President.—There is difference of opinion on that.

Mr. P. Kumaran Ezhuthassan.—Till the difference of opinion is settled, there is no possibility of improving the two hospitals?

Mr. President.—As I said, if Government ultimately decide to shift the hospital from its present place, opportunities will be given to the public to express their opinion.
